Address: 26226 Industrial Blvd, Anchorage  
Price: Check with seller

**Details** Apply If you're both an animal lover and a people person, a position in one of our stores might be a great fit. We're looking for people with a strong commitment to helping pets and their parents experience their very best lives together. When you join us, you'll be part of a great team, working together to achieve sales goals while doing work you truly love. **Purpose Statement** Promotes and ensures the efficient and effective merchandising and inventory management operations of the store. Ensures all merchandise is accurately received, priced, stocked and backroom is maintained per Petco operational standards. Through the lens of our Petco Co-Values, ensures the health, welfare and proper care of all live animals. Helps ensure the store achieves the Petco established goals and metrics. **Key Accountabilities** The incumbent must be able to consistently perform all the following duties and responsibilities with or without a reasonable accommodation. Ensures the health, proper handling and welfare of all animals according to policies and procedures, including completion of hourly animal check list and wellness cards. Adheres to Veterinary Protocol for all sick animals. Ensures 100% pricing accuracy, including verifying all pricing labels are posted and are accurate with regard to correct price and current offer date. Facilitates the unloading and stocking of merchandise according to operational guidelines and OSE standards. Ensures that the store is well-stocked and inventory counts are accurate. In partnership with Store Leader, ensures staffing levels are appropriate for receiving and processing stock. Ensures that the backroom and equipment is organized and maintained according to Operating Standards of Excellence. Prioritizes merchandise moving to sales floor and areas to be stocked, including POG and end cap sets. Perform routine housekeeping tasks to maintain the stores appearance and meet OSE standards. Ensures highest productivity levels are achieved for receiving, processing and stocking. Trains and develops partners on proper receiving, processing and stocking procedures, WMR and food rotation practices according to Petco standards. Abides by and enforces all company policies and procedures, including but not limited to those designed to minimize shrink. Ensures the facilitation and accuracy/integrity of the Blue Dot Program. Ensure that unforgivable items are in stock at all times. Ensures Return to Vendor and Hazardous Waste processed are managed per Petco policy. Communicates all situations and/or conditions that affect the store to the Guest Experience Leader and/or Store Leader (e.g.

Guest complaints, item requests, inadequate inventory levels, Petco special projects as assigned and associated responsibility on duty (I-OP). Ensures quick and efficient service to all guests by using the GUESTS through the store and / or phone.
